

Include AARP Foundation in your legacy

Naming the AARP Foundation as a beneficiary in your will, trust, retirement plan, life insurance or other plans is easy. Here is example language if you choose to include us in your plans:

I give, devise and bequeath (written amount or percentage of the estate or description of specific property or all of the remainder and residue of my estate) to the AARP Foundation, Federal I.D. #52-0794300, a non-profit corporation of the District of Columbia, for its unrestricted charitable use and purpose.”

If you would like to include the AARP Foundation as a beneficiary in your life insurance or retirement plan, contact your plan administrator for beneficiary designation forms.

If you include the AARP Foundation in your will/estate plan/testamentary document, please let us know. We want to thank you now and celebrate your commitment!

I/we support the AARP Foundation's critical goal to help older persons maintain their independence and dignity and to stay in charge of their lives as they age. I/we have made a provision for the Foundation.
